He thanked the committee for all their hard work over the season particularly the secretary and referee's secretary for getting all the games played.

### **Treasurer's Report**

The accounts showed that the competition had made a deficit of £110 in the season; expenditure was slightly higher due to a £100 donation to the Bucks Playing Fields Association and a £125 ground hire charge for one of the semi finals. On the income side, the gate receipts were down £300 but was more in line with previous finals. The advertising income showed an increase of £500 but £275 related to the previous year as this was collected during the year.
